

## Financial Controller Part time

Are you an expert in working with numbers? Do you use these figures to make business processes better, more efficient and/or more profitable? Are you constantly looking for improvement opportunities such as more insight/overview, better quality, higher efficiency and fewer risks? Then we are looking for you!

### This will be your job

In this role, you are responsible together with our Financial Controller for the timely and adequate delivery of financial information to the board and management. With a sharp analytical and strategic insight, you act in a constructive manner and you are a solid sparring partner. By nature you are a self-starter who likes to "bite" and successfully complete projects. You gather the information you need for this yourself. With a collegial attitude, you know how to overcome resistance and create support. You oversee processes and make connections.

### Success is yours by

- Timely preparation and drafting of periodic financial reports (monthly figures and annual accounts) and management reports
- Efficient supervision of audits by the accountants
- Checking and approving purchase invoices
- Together with the Financial Controller, monitoring, guiding and directing two assistant controllers
- Preparing and taking care of budgeting, liquidity forecasting and cash management
- Manage and optimize the AO/IC processes.

You will be working in a small team where there is still plenty of room to build on this department together!

### This is what we ask from you

The work you do is important. This really makes you the perfect colleague to strengthen our Finance department and #TeamPWR:

- HBO education in the direction of accountancy and business administration
- At least 3 years of work experience in a similar position, preferably in an international environment;
- Knowledge of current software programs such as Twinfield, Ridder iQ and Unit4 Audition / Financial data suite;
- Excellent knowledge of MS Office and Excel in particular;
- Excellent command of Dutch and English, both verbally and in writing.

### You get this from PWR

- A parttime job position (20-24 hours/week) with flexible working times ( 07.00 am – 18.00 pm), a matching salary and a good retirement plan
- 25 vacation days and 13 ADV days in case of fulltime employment
- Focus on personal vitality (budget for sports), development and education (seminars, trainings, etc)
- Join #teamPWR and become part of group of friendly enthusiastic colleagues with yearly and seasonal activities

### Convinced we will be a good match?

Now it is up to you! If you want to know more, please contact Rosemarie Tekampe, HR Manager. If you want to apply directly, send an e-mail with a short motivation and CV to [recruitment@pwrpack.com](mailto:recruitment@pwrpack.com). See you soon!
